

VIRTUAL POSTER PRESENTATION GUIDELINES FOR AUTHORS

VIRTUAL POSTER PRESENTATION GUIDELINES

Welcome to the virtual poster session. To ensure a smooth and impactful event, all presenters must adhere to the following guidelines.

SESSION RULES

- **Language:** The entire session will be conducted strictly in English. This includes the presentations, as well as the questions and answers.
- **Time Allocation:** Each speaker is allotted a maximum of 3 minutes for their presentation. This will be immediately followed by a 1-minute "Questions and Answers" (Q&A) session with the audience. Strict timekeeping will be enforced.

REQUIRED CONTENT STRUCTURE

To effectively communicate your research within the 3-minute limit, your poster and verbal pitch must clearly present the following sections:

- **Background And Objectives**
- **Methods**
- **Results And Conclusions**

TIPS FOR A SUCCESSFUL 3-MINUTE PITCH

- **Hook your audience early:** Start with a strong, single-sentence summary of why your research matters.
- **Avoid reading your poster word-for-word.** Use your 3 minutes to tell the story of your research while pointing to key visuals.
- **Rehearse with a timer....3 minutes passes very quickly.** Practice your script out loud until you can comfortably finish within 2 minutes and 45 seconds.
- **Try to anticipate the Q&A:** With only 1 minute for questions, answers must be sharp and direct. Think about the most obvious questions your results will provoke and prepare ~10-second answers.

See you in Porto Alegre!
